istituite per il gratuito patrocinio; sono contingenti, transitori; non costituiscono giammai giudicato, e possono sempre essere revocati su domanda della parte contraria ed anche all'Intendente di Finanza; onde sarebbe una vera assurdità definirli come sentenze pronunziate in prima e seconda istanza, considerando specialmente che il reclamo, di cui al surriferito art. 22, non viene notificato alla parte ammessa al gratuito patrocinio, e la Commissione presso la Corte d'appello vi provvede senza alcuna contraddizione delle parti, come appunto è accaduto nel caso presente e come la legge prescrive.

Se, dunque, fra i casi dalla legge deferiti alla cognizione della Corte di cassazione non può comprenderci quello in esame, e se i provvedimenti delle Commissioni presso le Corti d'appello non hanno né la forma né la sostanza di sentenze pronunziate in grado d'appello, è forza concludere per l'inammissibilità del ricorso per cassazione.

Per questi motivi dichiara inammissibile, ecc.

qual padre del fanciullo si fosse per iscritto dichiarato tale, ovvero quante volte risultasse una serie di cure da lui date al fanciullo, a condizione però che nell'una e nell'altra ipotesi la relativa azione avesse a proporsi durante la vita del padre; ed è pur vero che la Commissione del Senato, chiamata a dare il suo parere sul progetto del nuovo codice civile, si avvisò in maggioranza di seguire le norme tracciate dal diritto romano e dal codice sardo in ordine alle indagini sulla paternità; ma non è men vero, come si legge nella relazione sul vigente codice civile fatta a Sua Maestà dal ministro guardasigilli Vacca, che sebbene il partito accolto dalla maggioranza della Commissione si presentasse auspicato dai voti di taluni dei cultori della scienza giuridica e dai pietosi rispetti alla sorte della prole innocente, nullameno una tale innovazione non deve guardarsi alla leggiera, ma era degnissima di attenzione e di studi, per trattarsi di una innovazione al principio che vieta l'indagine della paternità fuori del matrimonio, e che raffigura un'altra garanzia sociale, posta a tutela del decoro

Publisher Description

Augsburg Fortress is the Publishing House of the Evangelical Lutheran Church in America. As the ministry of publishing of the ELCA, they are dedicated to serving out top quality Christian materials that communicate the Gospel, enhance faith, and enrich the life of the Church and the communities it serves. Augsburg Fortress reinvests all profits made into the development of new quality ministry resources for the church. The result—a virtuous circle that encompasses both the needs of the church and the ability for Augsburg Fortress to provide people with resources to meet those needs.
